Description

Sold via Secure Sale online bidding. Terms & Conditions apply.

This property will be legally prepared enabling any interested buyer to secure the property immediately once their bid/offer has been accepted. Ultimately a transparent process which provides speed, security and certainty for all parties.

Situated on Redbridge Road, this three-bedroom detached property presents a rare opportunity for buyers seeking a full renovation project. Offering generous internal space and a substantial plot, the property is ideal for those looking to modernise and create a long-term family home or investment.

Internally, the accommodation comprises open-plan living and dining areas with high ceilings and large windows, allowing for plenty of natural light throughout. The layout provides a strong foundation, with good flow between the main living spaces, offering flexibility for reconfiguration.

The kitchen is separate and requires complete refurbishment, providing scope to redesign and potentially create a modern open-plan kitchen/dining space. Both the upstairs bathroom and downstairs shower room also require full renovation, giving buyers the opportunity to finish to their own specification.

Upstairs, the property offers three well-proportioned bedrooms, all benefiting from good natural light. The overall condition throughout the home requires full modernisation, making it best suited to buyers looking for a project rather than immediate occupation.

Externally, the property boasts a large enclosed rear garden with rear access and parking, along with a driveway and garage. The size of the plot offers significant potential for extension or further development (subject to planning permission), making this a highly attractive opportunity for investors and developers alike.
